

Optimum lubrication + extra gentle on mucosa.

Unscented & dye free

High viscosity

Extra gentle

Whiteley Medical Lubricating Gel was formulated with two key goals in mind. Firstly, to facilitate the easy insertion of diagnostic therapeutic devices into non-sterile body cavities, and secondly to be extra gentle on mucosal surfaces. With its high viscosity gel formulation it offers excellent adherence to therapeutic devices, and the water based formulation is free from oils, dyes and fragrances.

You can rely on Whiteley products to help protect your patients and your reputation.
