

# HANDISAN<sup>®</sup>

## FOAM

## HAND SANITISER

### BENEFITS

- Kills 99.99% of germs
- Non-Flammable
- Non-hazardous & non-toxic
- Contains Lipidure<sup>®</sup>, a biomimetic moisturiser
- Fast acting

**Handisan<sup>®</sup> Sanitising Foam** is a non-flammable, instant hand sanitiser – kills 99.99% of germs. Handisan<sup>®</sup> Sanitising Foam contains Lipidure<sup>®</sup>, a biomimetic moisturiser which hydrates skin, leaving hands feeling soft, smooth and refreshed. Handisan<sup>®</sup> Sanitising Foam is alcohol free and non-flammable. It is designed to be used instead of alcohol based hand rubs\*.

Alcohol based hand rubs are classified as Dangerous Goods and therefore present a significant WH&S risk, they

are a potential fuel source and require special storage considerations. Using Handisan<sup>®</sup> eliminates this risk.

**Handisan<sup>®</sup> Sanitising Foam** contains Lipidure<sup>®</sup>, a biomimetic moisturiser which increases the hydration of the skin. Biomimetic moisturisers replicate the skins natural ability to retain skin integrity. Loss of skin integrity is associated with occupational dermatitis.

### HAND HYGIENE DISPENSERS

- Available in manual or infrared (touch free)
- Smartlock technology
- Suitable for 1L Handisan<sup>®</sup> pod
- Optional drip tray available

*\*Handisan is not intended for healthcare settings.*
